

Specialist Process- & Quality Management

pbb Deutsche Pfandbriefbank is the strategic core bank being formed as part of the realignment of HRE. It is in this bank that strategic assets are held, new business is done in both Real Estate and Public Sector Finance, and where the Company's entire refinancing business is conducted. We offer dedicated professionals the opportunity to be involved in the development and positioning of a new bank.

We want you to join the new team „Process & Quality Management - Payments & Financial Markets Operations“ on a part time (50%) basis. The location will be Unterschleißheim near Munich.

Responsibilities

- Reporting / Publications, e.g. Set-up / regular production of global MIS for PFMO, Monitoring regulatory reporting issues, (i.e. ad hoc publications)
- Processes and projects, e.g. Process and workflow documentation, Management of internal interfaces, International process harmonisation and optimization, Cooperation in the restructuring projects of the bank.
- Exception / Failure Management & Data Quality, e.g. Clarification of inconsistencies, Contact for front- and back office regarding inquiries on transactions including escalations (e.g. claims)

Requirements

- Process and project management skills (ideally across international locations)
- Basic knowledge of financial markets products (incl. highly structured products)
- Strong analytical / conceptual skills
- High self-motivation as well as significant entrepreneurial spirit
- Good communication / presentation skills
- Very good English language skills (German as additional language preferred)
- Preferably good knowledge of banking system Summit
- High flexibility / mobility
